

Join the ELEVATE DANCE CENTRE Team

Educate. Empower. Elevate.

At Elevate Dance Centre, we believe dance is about more than technique – it's about developing confident, resilient, and empowered young people. We are seeking passionate, growth-minded educators who are ready to step beyond teaching into mentorship, leadership, and meaningful impact. This is not a "clock in, clock out" position. This is for individuals who care deeply about their students, their team, and their own growth.

WHO THIS IS FOR

You:

- Love working with children and youth and see the potential in every dancer
- Lead with professionalism, integrity, and positive energy
- Are committed to continuous personal and professional growth
- Thrive in a collaborative, team-focused environment
- Bring intention, creativity, and purpose into your classes
- Believe teaching is about shaping people, not just teaching steps

If you're looking to simply teach choreography, this may not be the right fit.

If you're looking to grow, contribute, and be part of something meaningful – we'd love to meet you.

Experience in Jazz, Tap, Hip Hop, Contemporary, Modern, Musical Theatre, Acro, Lyrical, and/or RAD Ballet is an asset.

OUR CULTURE

At EDC, culture isn't something we talk about – it's something we live.

We are a team that:

- Supports and challenges one another to grow
- Holds high standards while leading with empathy
- Shows up with professionalism, care, and consistency
- Values who you are just as much as what you teach

We are committed to a space where both dancers and educators become the best version of themselves.

WHAT YOU CAN EXPECT

- A supportive, professional, team-driven environment
- Ongoing mentorship and professional development
- Monthly teacher meetings focused on growth and connection
- A collaborative culture where your voice is valued
- Flexible scheduling within a structured program
- The opportunity to make a meaningful impact

Season: September–June (follows school calendar), with Summer options available

Additional Commitments:

- Annual faculty training
- Quarterly team meetings
- Studio events, performances, and competitions
- Full participation during year-end rehearsals and performances
